

Bria Fund Cures for Every FIP Cat Virtual Raffle

Announcing the Bria Fund Cures for Every FIP Cat Virtual Raffle

Can you imagine a world where all cats with FIP are Cured? Winn Can!

Continued funding of the Bria Fund and FIP research is more important than ever! This time of year, we usually hold our annual raffle, the biggest fundraiser each year, however this year in lieu of a physical raffle we are holding the Cures for Every FIP Cat Virtual Raffle.

It will run until September 30, 2017.

How do you participate in the raffle? You can donate!

If you have ever donated a prize for a Bria Fund raffle or were planning on donating a prize this year, please make a donation instead. If you have ever donated and received raffle tickets to win prizes, please just donate! If you have done either but have lost a kitty yourself, or know someone who lost a fur angel to FIP, you can donate as well. If you just love cats and animals, we can always use your donations too.

With cures in sight, it is now the time for you to reach out to friends, family, vets, and other cat and animal lovers to ask them to donate and help cure all types of FIP! Unlike most raffles, making a donation of any amount makes you and all the cats who will benefit winners! Let's make it bigger and better than the Bria Fund Raffle last year.

To donate: <https://winnfelinefoundation.salsalabs.org/briafund/index.html>

Thank you for your continued support. With your help, we can cure and end FIP!

All donations will be used only for FIP research. The Winn Foundation takes no administrative fees. The Winn Feline Foundation is approved as a Section 501 (c) (3) of the Internal Revenue Code
