

Celebrate!!

National Veterinary Technician Week

October 14 - 20, 2018

The Technician Honor Roll presents a unique opportunity to honor your veterinary technicians and give a memorable gift that will resonate with them for years to come.

For a donation of \$100 or more, your respected veterinary technicians will receive a letter of notification and a beautiful framed certificate suitable for proud display in the veterinary hospital. In addition, they will receive recognition on the Winn Feline Foundation website.
