The Winn Feline Foundation enhances the relationship between cats and humans by fostering improvements in feline health through research and education. Many Winn-funded studies have provided information you use in your practice every day.

Winn funds medical studies to improve the health and well-being of all cats. More than $5 million has been awarded in grants that have changed cats’ lives. Winn also sponsors an annual symposium on feline health topics for veterinarians, technicians, breeders and cat lovers, co-sponsors international veterinary conferences, and publishes articles that educate veterinarians and the public about feline health.

So much of what we know about feline health has changed, and Winn has been at the forefront, uncovering new information, stimulating interest in the veterinary community and getting the word out to every cat owner. Winn’s website and blog focusing on feline health studies worldwide, [winnfelinefoundation.org](http://winnfelinefoundation.org) and [winnfelinefoundation.org/education/cat-health-news-blog](http://winnfelinefoundation.org/education/cat-health-news-blog) are important resources that help keep cat lovers and veterinarians informed about the most recent news in cat care.

**Every cat, every day benefits from Winn-funded research.**

It's always difficult when a client's cat dies. You want to acknowledge their loss, celebrate the love they shared with their cat and show how much you care about their cat and all cats.

The Pet Memorial Program is an opportunity to reassure your clients that their cat has not been forgotten, and to support health studies that benefit every cat. Make your tax-deductible donation in memory of a client’s pet.

Here's how it works:
When we receive your donation and cat owner information, we send a personalized letter to your client recognizing your generosity in memory of their cat. The amount of your gift is not disclosed. (See a sample letter at www.winnfelinefoundation.org/programs/vet-pet-memorial)

You will receive confirmation of all donations for your tax records. Your name and clinic will be listed on our website as a Winn Feline Foundation Pet Memorial Program Sponsor.

How many business decisions are so easy to make and give so much in return?

"As a hospital contributing to the Winn Feline Foundation, our clients know we are committed to helping our patients beyond the scope of our hospital."
—Memorial Cat Hospital, Houston

The veterinarians who participate in our Pet Memorial Program often receive letters of thanks from their clients.

"I recently received a notice that a donation had been made in Bandit’s name to the Winn Foundation and I was very touched by the gesture. I have since looked them up on the web and was more than happy to make a donation of my own."

"My family joins me in extending thanks and appreciation for your thoughtfulness and support when I had to make a difficult decision, as well as your generosity in making a donation in his name. We appreciate the introduction to the Winn Feline Foundation."

"We just received a letter from the Winn Foundation and see that you made a contribution to them in Cleo’s memory. That was very kind and thoughtful of you, and we wish to express our deep appreciation for your gesture."

Make a donation to the Pet Memorial Program in memory of a client’s cherished cat and support research that benefits all cats.

You can make your Pet Memorial donation on our website or download donation forms you can send to us by mail at www.winnfelinefoundation.org/programs/vet-pet-memorial

We accept credit cards and PayPal through our secure website.

We suggest a minimum donation of $10 per pet. When your contributions total more than $150, you will receive a certificate suitable for framing to display in your clinic.

Winn Feline Foundation is a public charity under Section 501(c)(3) of the Internal Revenue Code. Your contributions are deductible for income, gift, and estate tax purposes to the extent permitted by law.
