2018 George Sydney and Phyllis Redman Miller Trust Grant Awards

In 2002, the George Sydney and Phyllis Redman Miller Trust designated Winn Feline Foundation as one of its advisor organizations. Winn has subsequently been provided an unprecedented opportunity to make annual recommendations for grant awards to the San Francisco Foundation, trustees of the Miller Trust. The grant funding for 2018 was over $137,000.

2018 George Sydney and Phyllis Redman Miller Trust Grant Award
Recommendations from Winn Feline Foundation

MT18-003  Metagenomic and metabolomic analysis of the short-term and long term effects of antibiotic therapy on the intestinal microbiota in growing kittens and their relation to the overall health status of these kittens
PIs: Jan Suchodolski DVM, PhD, ACVM; Texas A&M University; Panagiotis Xenoulis, DVM, PhD; University of Thessaly, Greece; $34,800
